This is a binding registration agreement for participation in the 7th bi-annual KunstZahnWerk[®] competition. The competition will take place at IDS 2011 in Cologne, Germany.

Participation involves the production of a complete upper and lower denture, supported through CAMLOG implants and set up according to the Gerber lingualized method.

I hereby give permission for my work (which will need to be presented in either a Candolor Articulator or Condylator) to be exhibited, photographed and used for promotional purposes by Candolor. This permission also applies to submitted documentation.

Please send me the provided and detailed patient case incl. models and teeth.
